

On This Side Of The Sun

By Phat

THE VILLAGE—A nice preview to Western Week was the appearance of Melba Bennett of the Deep Well Guest ranch on Palm Canyon drive this week in full western regalia. . . . The season is on. Betty Grable was in town this week. . . . Also, Fay Bainter and husband, Reggie Venable making a bee line for the Dunes to talk things over with Ruby and Connie. . . . Vic Cavalier at Harry Brot's Desert Drug figures he was insulted this week. A woman ordering coffee, asked: "Is that French, drip?" . . .

THANK YOU—Perhaps it was that old corny "see you some Tuesday next week" that influenced me. Anyway, writing about a local organization which meets the last Tuesday of each month, I said: "the club meets the last Tuesday of each week." Forty minutes and ten seconds after The Sun was off the press, the first sarcastic telephone call came to ask me how many Tuesdays there are in a week. Honor for the first to give me the razzberry goes to Margaret Needham of the telephone company. And thanks to all the rest of you for setting me straight on the calendar.

HOME ON THE RANGE—Seven or eight weeks ago in this column appeared an innocent four line item about Western clothing and the statement that something should be done to keep Palm Springs distinctive. That started it. Next week is the result. Was told this week that the Lions club is going to assess a stiff fine on any member who appears without a loud Western shirt. I haven't any and can't find a fellow Lion with a big enough neck to loan me one. Wish I had kept my big mouth shut. . . . Which reminds me that since saying my Western costume was going to consist of a Bull Durham tag hanging out of my pocket, kindly Villagers have sent in an even half dozen sacks of Bull Durham. And two of them were thoughtful enough to include a book of papers.

MUSIC—Bob Hull of the Rainbow Room called in this week to tell me to quit bragging. "You talk about August 4 as the date you first started touting 'I'll Walk Alone' as a future No. 1 tune," he said. "I started playing and plugging it last June." . . . Mrs. G. says that "My Heart Sings" has a chance of getting on the Hit Parade and moving up. . . . "It Had To Be You" which was a popular hit even before FDR was first elected, is now No. 3 on the Hit Parade. It would be a sad commentary on today's composers if an old-timer like that made No. 1.

POLITICS—Three people this week told me that they wanted to vote for Dewey but couldn't because they forgot to change their registration from Democratic to Republican. Was happy to inform them that no matter how they are registered, they can vote for anyone they want to once they get behind the curtains of the polling booth. . . . My pet peeve in the present administration is that blabber-mouth Harold Ickes. . . . Los Angeles publishers plan a barn dance this week in honor of Newspaper week. A lot of newspapermen should feel right at home in a barn.

THIS AND THAT—What Palm Springs needs is a public address system at the city council chambers. . . . Also something to stop double parking. With state highway crews sticking tin signs along the middle of Palm Canyon drive "Keep Off—Wet Paint" traffic was really stymied by motorists who parked in the middle of the street while they went in to shop. . . . The Navy is a great leveler. It took Joe Henderson's waist line down seven inches and added six to John Connell's.

WESTERN WEEK—There appears to be some misunderstanding on next week's plan to Go West. The sole idea of the move is to keep alive in Palm Springs the tradition that gave the Village its original charm. It is in no way an attempt to forget that we are at war or to rival the Desert Circus. It's just to remind the populace that Palm Springs IS different and to keep the Village from descending into the rut of the ordinary small town. . . . And Palm Springs IS different.

IN CONCLUSION—If it's so hard to find a parking place down town the first week in October—what's it going to be like in January!

YIPPIE! (ALSO WHOOPIE!)—This is Newspaper week and next week is Western Week. What's the connection? Well, if Horace Greeley, that able newspaperman, had run a picture like the above in his publication, he never would have had to advise young men to Go West. They'd be right here. Anyway, you have to admit the West certainly has an appeal.

All Set for Western Week

Program for Gymkhana and Parade Drawn

Final details for Western Week were drawn Monday evening at the Chamber of Commerce when members of the Los Compadres club and other interested persons met at the call of Herschel Moseley, chairman, and president of the Los Compadres.

It was decided that the parade, scheduled on the last day, October 15, start forming at noon in the 1600 block on North Palm Canyon drive and that the parade will start moving at 1 p. m.

LINE OF MARCH

The line of march will be down Palm Canyon drive to Ramon and thence east to the Field Club for

Moonlight Chase Nabs Six Calves

An impromptu preview of the big gymkhana to be held here October 15 in conjunction with the Old West parade and as a climax to Old West Week, was staged in the moonlit hours of early Monday morning on the desert southeast of town.

According to the tale, six calves which had been shipped in to perform at the gymkhana and placed in a corral at the Araby stables, found their way out shortly after midnight Monday morning.

An SOS was sounded and to the rescue galloped Virginia Paul, Bill Wilson, Hutch and Billy Moseley, Ted Reed and Jimmy Cooper.

By the light of the desert moon they thundered around on the desert and at 3:30 a. m., had four of the missing potential New York cuts rounded up. They gave up hope for the other two.

But as they were riding back to the stables with their captives, the bright rays of the moon disclosed the two other truant calves peacefully catching up on their sleep against the Field Club fence.

Survey Reveals Business in Palm Springs at Best October Level in Years

Business is good in Palm Springs. From one end of Palm Canyon drive to the other and on the lateral streets, merchants are talking about it—and marvelling.

Practically all of them—mindful of the whirlwind finish of last season which extended through June—were prepared for the big upturn in trade and shelves of local stores are well stocked in anticipation of a tremendous year.

IT'S ALL HERE

Villagers need not go out of town to get what they want this season. Every need can be filled from local stocks, merchants declare. Because of the great distance to large shopping centers and the current restrictions on travel, Village business men made it a point to stock up for all needs from the lowliest utilitarian item to the highest quality luxuries. As a result, shopping in Palm Springs will be simple—and adequate.

At Bullock's, Palm Springs, J. E. Ballard said the opening day and week was most gratifying. Business so far has been far in excess of any previous opening week in the store's history.

NO LONG DRIVES

"We spent the entire summer mapping the season's business," Mr. Ballard said, "with the one aim of a balanced stock so that people would not have to drive 60 to 100 miles to get what they want. We think we have succeeded. There's only one regret. We closed last year on June 3 and we should have remained open until July 4."

At Desmonds, Palm Springs, where there is also a new manager, the same gratifying increase was reported. James Coffman, formerly of the buyer's staff for Desmonds stores, who opened his first season here last Saturday, said that the first week's business was well in excess of any previous year.

FOR PALM SPRINGS

"We're thankful that we anticipated this," he said. "From the day the store closed for the summer until opening day, buyers concentrated on the Palm Springs store. This planning plus the fact

(Please Turn to Page 8)

Excuse Us, Please

Sorry—but while we knew Palm Springs was far more active this season than last year at this time, we underestimated the margin of increase.

So, although we placed 350 more copies of The Desert Sun on the newsstands last Friday than we did on the comparable Friday in 1943—a lot of you were unable to find one after Tuesday at your favorite newsstand. They were sold out—and so were we.

In an effort to conserve newsprint we try to estimate the fluctuating part of our circulation—newsstand and newsboy sales—as closely as possible. But although the press run Friday was 500 more than it was five weeks ago, it wasn't enough.

Excuse it, please, and we'll try to have enough this week.

War Chest Plans Set in Motion

Headquarters for the second War Chest drive in Palm Springs were opened this week and plans for the campaign here launched under the leadership of the new chairman, William D. Dean.

An enthusiastic meeting was held Tuesday when members of the executive committee, already in town, met with Mr. Dean and started preliminary work on quotas and budgets.

Present were Tom Holland, Arthur E. Bailey, Phil Boyd, Mrs. William A. Lippman, Mrs. Harold Hicks, Francis F. Crocker, Fred Ingram, William Colburn, Austin G. McManus, Mrs. S. C. Henderson and Mr. Dean.

Under the new organization, A. E. Bailey will serve as secretary and F. F. Crocker as treasurer. Date for start of the drive will

300 Hotel Men to Rally Here in Conference

More than 300 representatives from hotels all over the west coast and adjoining states will assemble in Palm Springs next week for the 33rd annual conference and third war-time session of the California State Hotel association. It will be the largest session in the association's history and prominent hotel men from California, Washington, Nevada, Arizona, New Mexico, Colorado and other western areas have already registered.

Originally expected to attract approximately 200 delegates, registrations are now over 300 and expected to reach 350 by next Monday.

BUSINESS SESSIONS

Because of war conditions, the sessions will be business sessions strictly with only the annual golf and tennis tournaments and annual banquet and ball to intervene.

Headquarters of the sessions will be in The Plaza theater Tuesday morning and afternoon and Wednesday. Principal speakers are Paul Shoup, Los Angeles, president of the Manufacturers and Merchants association who will talk on "Labor, Present and

Plan Referendum for Early November

Question of Acquisition of Field Club
to Be Placed In Hands of Voters Nov. 14
Or 15; Nov. 7 Date Found to Be Impossible

Palm Springs voters will decide—probably on November 14—at a special election whether the city shall acquire the Field club property. After weeks of discussion and two meetings this week, it was decided Wednesday evening at city council meeting to hold a referendum on the proposal.

At the last previous council meeting, City Attorney Roy W. Colgate interrupted a vote on the purchase plan by calling attention to the state law that all matters of acquisition of property should be passed upon by the planning commission.

GOES TO PLANNERS

The matter was then referred to the city planners. Tuesday the commission met but asked for further study before making a recommendation. The commission and city council met informally late Wednesday afternoon to continue the discussion.

At Wednesday evening's council meeting, however, Mayor E. E. Theriault, after reviewing the previous discussions, said that it was the consensus that the entire Village have a say in the matter.

MOTION CARRIED

Councilman C. P. Adams moved at once that the city attorney be instructed to take the necessary steps to call an election and he was seconded by Councilman Armand Turronet. On a record vote, all six councilmen present voted "aye."

It was then decided to adjourn to Oct. 11 to set the wheels in motion for the special election as soon as possible. It was hoped that the Field Club referendum could be staged on the same day as the general election—Nov. 7—to take advantage of the large vote bound to be out that day. But a check revealed there was insufficient time to meet legal requirements set by statute to call an election.

AT RIVERSIDE

City Attorney Colegate, however, went to Riverside Thursday to confer with County Counsel Earl Redwine and County Clerk G. A. Pequegnat to see if the measure could not be put on the general ballot. He returned yesterday afternoon and informed City Manager Ray Sorum that the ballots were in the hands of the printers and it would be impossible to hold the election on Nov. 7.

YES AND NO VOTE

It was then decided to stage a special election, with consolidated precincts to save election costs, at the earliest possible date. Under state laws, with council meeting next Wednesday, Oct. 11, the election could not be held before Nov. 11 and as that is on a Saturday, the dates of either Tuesday, Nov. 14 or Wednesday, Nov. 15, will be chosen.

The special election will undoubtedly take the form of a referendum to the people of Palm Springs and will be a simple "Yes" or "No" ballot on whether the city should buy the Field Club.

Pavney Hearing In Progress Today

Trial of M. M. Pavny on a charge of illegally tapping a water line, started in Judge Guy Pinney's court this morning. Selection of a jury occupied the early session and the case is not expected to be concluded until this evening.

Mr. Pavny courted arrest in a move to bring to a head action on his request for water service outside of the area fixed a few years ago by the state railroad commission.

WOUNDED—Pvt. James P. Rushing, Village youth, who has received the Purple Heart for wounds received in France.

Village Youth Given Award for Wounds

Pvt. James P. Rushing, son of Mrs. Lilly Rushing of Palm Springs, has been awarded the Purple Heart as result of wounds received in the fighting in France.

Pvt. Rushing went into France on D-Day and saw action from Normandy over into Belgium. He is now at a base hospital somewhere in Europe, according to word received here. It was the second time he had been wounded, going back into action after the first wounds.

Writing to his mother here, he said he was sending the Purple Heart medal home but that he also had a captured German flag and a captured German Luger which he would bring back with him.

Pvt. Rushing, who enlisted in the army almost a year before the United States entered the war, is with a Tank Destroyer outfit.

He has a brother in the service, Edgar Rushing, who is in action in Italy.

Besides his mother, he has two sisters living here, Miss Ruby Rushing and Mrs. Muriel Landrum.

Culver S. Nichols To Make His Bow In Village Soon

Culver Stevens Nichols will soon make his appearance in Palm Springs.

The lad was born to Mrs. Culver Nichols, wife of Councilman Culver Nichols, at the Good Samaritan hospital, Los Angeles, at 2:15 p. m. Wednesday. He weighed in at eight and one-half pounds.

Marshall Johnson, 55, unemployed cook, was in county jail today awaiting hearing on a charge of stealing a hammer and a bottle of catsup.

It seems to me..

That Western Week
Is just about
The right thing
To start the season
Out with a bang.
Fulton's

In the Oasis Hotel,
As smart a shop
As you ever did see
Is starting out, too.
We are proud
To become a part
Of your community,
And, needless to say
We are proud
To become a part
Of your
Chamber of Commerce
Who we feel
Is doing
As fine a job
As can be done in
Making Palm Springs
A friendlier place
To hang your hat.
We hope some day
To be a tradition
To the same extent
As some of your

Timely Subject to Be Discussed At Episcopal Church

"God's Cure for Discouragement," a timely topic at the present time, will be the subject of the Rev. Robert M. Hogarth, vicar at St. Paul's in the Desert, at the 11 o'clock service Sunday morning, he said today.

Activities at the Episcopal church are assuming mid-season tempo with all departments active, Rev. Hogarth said.

REHEARSALS SET

Rehearsals for the Parish choir have been set for Tuesday afternoons at 4:30 o'clock. A week from next Sunday, the quartet will be completed as a nucleus for a chorus of high school students.

The quartet consists of Sgt. Richard Toppin, tenor soloist and director, Mrs. Richard Toppin, soprano, Mrs. Dorothy Smith, alto, and Sgt. Russell H. Genich, baritone. Miss Eileen Carey is the organist.

EVENING GROUP MEETS

The Junior choir, leading the Sunday school service, is under direction of Mrs. Emil Wagner, with Mrs. Eber D. Kanaga at the organ. Rehearsals are held one-half hour before opening sessions on Sunday or at 9:15 a. m.

The Young People's Fellowship will resume its meetings for the season this Sunday, October 6 at 7 p. m. All students of the high school are welcome to this service. The brief but complete service of Evening Prayer will be conducted by the young people themselves with the program or speaker to follow.

Russian Control of Europe, Subject of Pastor's Talk

Dr. J. R. Macartney, pastor of Community church, will speak next Sunday morning at 11 o'clock on "Three Reasons Why Russia Will Rule All Europe." He has divided his talk into three phases, the military reason, the economic reason and the prophetic reason.

ANOTHER IN SERIES

At the 7:30 o'clock service Sunday evening, Dr. Macartney will present another in his series on Great Interviews of the Bible.

At last Sunday's services a delightful feature of the morning service was the duet by Miss Viola Fraser and Mrs. Violet Fowler. The music at the evening service was enhanced by the Chapel choir composed of fourteen young women.

CHOIRS ACTIVE

All choirs of the church are busy in rehearsals for the season, with Junior singers meeting each Tuesday at 3:30 p. m., Chapel choir each Tuesday at 7 p. m. and the Cathedral choir each Thursday at 7:30 p. m.

A large attendance greeted the first meeting of the Christian Service Men's Bible class last Tuesday evening at the church. This class is for all service men and women.

Mr. and Mrs. William B. Colburn have returned for the season to their home on Santa Rosa drive. They spent the summer months at Rancho Santa Fe.

Every gain the Yanks and Russians make means that many more unpronounceable names behind us.

Assemblyman Boyd And Supervisors Confer On New Laws

Philip L. Boyd, assemblyman-elect from this district, was in Riverside Monday of this week conferring with the board of supervisors on proposed legislation to improve state and county co-operation in fire fighting.

Fires of the past summer revealed several kinks in the program which Mr. Boyd will iron out at the next session of the legislature.

While at Riverside, Mr. Boyd also accepted the chairmanship of the Navy day observance for Palm Springs. Nelson Dilworth is county chairman and each community will have its own chairman. Mr. Boyd was asked to serve and consented.

He is arranging programs for local service clubs and schools the week of October 27, Navy Day, and is on the look-out for appropriate speakers for these meetings.

Mr. and Mrs. Natt McDougal arrived in Palm Springs yesterday after a summer spent at their home in Portland, Ore. They are now back in their home at 271 Merito place.

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?"

This question will be the subject of the Lesson-Sermon in all branches of The Mother Church.

The First Church of Christ, Scientist, in Boston. The Golden Text from the Psalms reads: "O Lord, my God, I cried unto thee, and thou hast healed me. O Lord, thou hast brought up my soul from the grave; thou hast kept me alive, that I should not go down to the pit."

A Bible passage from II Kings relates that a little captive maid from Israel said to her mistress, the wife of Naaman, the leper, "Would God my lord were with the prophet that is in Samaria! for he would recover him of his leprosy."

So Naaman came . . . and stood at the door of the house of Elisha. And Elisha sent a messenger unto him, saying, Go and wash in Jordan seven times, and thy flesh shall come again to thee, and thou shalt be clean. But Naaman was wroth, . . . And his servants . . . said, My father, if the prophet had bid thee do some great thing, wouldst thou not have done it? how much rather then, when he saith to thee, Wash, and be clean?"

Naaman then obeyed Elisha "and his flesh came again like unto the flesh of a little child, and he was clean."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Truth handles the most malignant contagion with perfect assurance."

Fr. Raley Returns to Pastorate At Catholic Church

The Rev. C. Norman Raley, rector of Our Lady of Solitude Catholic church, returned to the Village last Saturday morning from Big Bear where he spent the summer and officiated at St. Joseph's church, to resume his pastorate at the local church.

During October, he said, masses will be said at 7 and 9 a. m. An 11 o'clock mass will be added in November. Devotions of Our Lady of Sorrow will be started in November also, at 7:30 p. m. on Fridays. Information classes will be held Thursdays at 7:30 p. m. starting in November.

Miss Wilhelmina Hamilton, assistant in the office of Dr. Frank Purcell, will be in charge of the choir this year.

Father Raley said that Ronald Regan, well known radio and movie personality, will be in the Village next Sunday morning, the Feast of the Holy Rosary, to sing at the 9 o'clock mass. He will sing "The Rosary."

Presbyterians to Rally At Riverside

Dr. J. R. Macartney, pastor of Community church, is planning to attend an important meeting of Presbyterian ministers and laymen of the Riverside Presbytery who will meet Tuesday at Riverside.

Presbyterian women's organizations also plan to meet in Riverside that date. Several from Palm Springs may attend.

New Assistant Now At Community Church

Miss Virginia Westmoreland, new director of young people's activities and assistant at the Community church, arrived in Palm Springs last Friday and has taken up residence at DeMuth Court on Palm Canyon drive.

She will begin her work with the young people of Community church this coming Sunday at 7 o'clock meeting of the group.

The young people's society of Christian Endeavor will begin the meetings for the season at that time.

Dr. Macartney And Wife Back From Summer Vacation

Dr. and Mrs. J. R. Macartney returned from their summer home at Forest Home, Mill Creek canyon, last weekend and have re-opened their home at the Community church manse, 270 Cahulla road.

"The whole church program is now in high gear," said Dr. Macartney, pastor, "and an invitation is extended all residents, guests, new-comers, to avail themselves of the privileges of worship and Christian fellowship. The Community church is located two blocks southeast of the Desert Inn."

Official Board of Church Meets Oct. 10

Dr. J. R. Macartney, Community church minister, said this week that the first meeting of the official board of the church for the season would be held next Tuesday at 7:30 p. m. at the church.

Mr. and Mrs. W. M. Sawyer and daughter, Virginia, who spent the summer on their ranch near Beaumont, have returned to the Village for the season.

Mr. and Mrs. A. S. McIntyre of 403 Via Colusa, are planning to return to their home here on Oct. 31. They are now at Snowcrest Lodge in San Antonio canyon, above Camp Baldy.

Judge O. K. Morton Again Named Head of Seals Campaign

Superior Judge O. K. Morton will again head the 1944 Christmas Seal campaign in Riverside county, it was announced this week. N. O. Norsworthy, president of the Riverside County Tuberculosis Association made the announcement. Judge Morton served as county chairman last year and because of his leadership, the county had the largest seal sale in its history.

Mrs. Leo Baker served as Palm Springs chairman of the Christmas Seal drive last year and set a record for local sales.

Well Known And Popular Officers At Torney General Hospital Leave For New Posts In Reassignment Move

Orders transferring a group of the highest seniority officers at Torney General Hospital to other installations caused a shuffling of Torney officer personnel this week when Lt. Col. Edward T. Thompson, executive and public relations officer, left to assume command of a large overseas medical unit accompanied by Captain John B. Barr, director of personnel, who, it is anticipated will serve as his adjutant, and Captain Roy Leeper who appears to be slated for appointment as head of a professional service in the unit.

Col. Thompson who served as executive officer of the hospital from February, 1943, until last week, reported for duty at Torney August 5, 1942, from Fitzsimmons General Hospital, Denver, Colorado. First assigned as Receiving and Disposition Officer, he was subsequently reassigned as Commanding Officer of the Detachment of Patients, Chief of Hospitalization and Evacuation and Registrar.

CHANGES ANNOUNCED

Responsibilities of executive officer have been delegated to Major C. M. Prince who has served

as adjutant of the post since April 25 when he reported from Camp Grant. Lt. Raymond M. Danok, former assistant adjutant has been advanced to the post of adjutant replacing Major Prince.

Captain Thomas E. Carden, sales officer has been given the additional duty of Public Relations Officer. Captain Carden has been stationed at Torney since April 17 when he reported from Tilton General Hospital, Fort Dix, New Jersey.

HERE TWO YEARS

Captain Barr arrived at Torney July 3, 1942, and served first as medical supply officer, later he was reassigned as Director of Personnel where he has been replaced by 1st Lt. Frederick L. Jones.

Since his arrival at Torney on July 27, 1943, Captain Leeper has been on duty with the medical service.

Leaving shortly after Col. Thompson and his group, Lt. Col. Philip B. Davis is now enroute to another large medical installation where it is assumed he will serve as chief of the surgical service. Col. Davis arrived at Torney September 28, 1942, from Lawson General Hospital and served as chief of septic surgery and penicillin officer before being assigned as Director of Reconditioning several months ago.

FROM OVERSEAS

Col. Davis has been replaced by Major Forrest E. Williams who reported at Torney in July from Letterman General Hospital where he had been assigned following his return from many months duty in the Southwest Pacific. While overseas, Major Williams served as surgeon with a field artillery battalion on New Guinea and the Goodenough Islands and for a time was stationed in Australia.

Also leaving Torney this week were Lt. Richard B. Webb of the Medical Service Branch, transferred to a numbered general hospital now training at Bushnell General Hospital, Captain Raymond A. Burger, assistant chief of the EENT section, transferred to Camp Cooke, and 2nd Lt. Robert G. Livingston, Provost Marshal who will enter a school of Military Government at Princeton, New Jersey. 2nd Lt. Andrew J. Given has been assigned to replace Lt. Livingston.

Mrs. Melba Bennett To Open Deep Well Ranch October 20

Mrs. Melba Bennett arrived in the Village this week after a summer spent in New York with her son, Peter, who just graduated from the midshipman's college at Columbia University and daughter, Deedee, attending the Finch Junior college in New York City.

Mrs. Bennett said she planned to reopen the Deep Well Guest ranch about October 20. This year she will operate the guest ranch on the American plan again.

Mr. and Mrs. Brennan Return and Re-Open Massage Salon Here

Mr. and Mrs. P. C. Brennan and son have returned to the Village and Mr. Brennan has reopened his massage salon on North Palm Canyon drive for the second season.

Gray Ladies Start Third Season of Hospital Service

Many members of the Hospital and Recreation Corps of the Palm Springs Red Cross Branch are reporting back for duty following the summer away from their desert homes. This will be the third season for the local group of Gray Ladies to render this much appreciated service for the patients at Torney General Hospital.

Among those already to resume their activities of visiting, letter writing, shopping and attending to errands are Mesdames Philip L. Boyd, Frank Camp, Francis Crocker, Merrill Crockett, Earl Gibbs, Alice Guthrie, H. L. Hansen, Charles Henderson, Barney Johnson, Raymond Knowles, Harrison Leussler, Walter McManus, Harold Murphy, Hortense Murray, Frank Purcell, Stanley Rosin, Lloyd Simon, William Stern, Frederick Watson and Miss Gladys McClure.

Mrs. Boyd, chairman of the Corps, is calling a meeting at the Hospital of the members for Thursday morning, October 12, at

Woman Arrested On Charge of \$400 Theft of Jewelry

Mrs. Mary M. Cagle, 35, wife of a local painter, was in Riverside county jail today awaiting trial in Judge Guy Pinney's court October 13 on a charge of grand theft involving approximately \$400 worth of jewelry from the home of Mrs. Leona Inman, 387 Valmonte del Sur.

Mrs. Cagle was arrested after Mrs. Inman discovered her loss and reported the case to police. Suspicion was directed toward her when the jewels were missed by Mrs. Inman after Mrs. Cagle had accompanied her husband to the Inman home where he had been employed on a painting job.

Officer Orest Johnson investigated the case and found the missing jewelry in the Cagle apartment where the woman had hidden it in a clothes closet. She readily confessed in a statement to Police Chief Lyle Sanard, declaring that her husband knew nothing of the theft and that she didn't know why she had taken the gems. In her signed statement she said she said she knew she was doing wrong and planned to return the jewelry.

Mr. and Mrs. Levering Moore are returning to the desert this week and will make their home at Rancho Mirage. They spent the summer at the Rex Arms in Los Angeles.

which time she will introduce Miss Lauretta Wilkinson, Torney's Red Cross Field Director, and Miss Madeline Hagerty, head Recreation Worker. Major Forrest E. Williams will bring the group up to date on the Army's reconditioning program.

GOP Farm Program

The farm plank adopted by the Republican Convention on June 27 has been hailed as the "best yet" by national farm leaders, who played a part in helping the Resolutions Committee draft the Republican Platform for 1944. Leaders of all national farm organizations were consulted before the farm plank was written.

Beginning with a salute to American farmers, their wives and families for their magnificent job of wartime production and their contribution to the war effort, the Republican farm plank points out that farmers have played a prime part in making victory possible. This has been accomplished, the Republicans say, in spite of "a bungled and inexcusable machinery program and confused, unreliable, impractical price and production administration," a conclusion with which most farmers will agree readily.

The Republicans take an unequivocal stand against the "scarcity program" followed so long under Henry A. Wallace and his successors in the New Deal Department of Agriculture.

"Abundant production is the best security against inflation," the Republican farm plank asserts. "Governmental policies in war and in peace must be practical and efficient with freedom from regimentation by an impractical Washington bureaucracy in order to assure independence of operation and bountiful production, fair and equitable market prices for farm products, and a sound program for conservation and use of our soil and natural resources."

To show the farmer what practical thinking has been done by Republicans to carry out such a program, the farm plank made ten specific proposals, all of which are worth reading and re-reading.

"1. A Department of Agriculture under practical and experienced administration free from regimentation and confusing government manipulation and control of farm programs.

"2. An American market price to the American farmer and the protection of such price by means of support prices, commodity loans, or a combination thereof, together with such other economic means as will assure an income to agriculture that is fair and equitable in comparison with labor, business and industry. We oppose subsidies as a substitute for fair markets.

"3. Disposition of surplus war commodities in an orderly manner without destroying markets or continued production and without benefit to speculative profiteers.

"4. The control and disposition of future surpluses by means of (a) new uses developed through constant research; (b) vigorous development of foreign markets; (c) efficient domestic distribution to meet all domestic requirements, and (d) arrangements which will enable farmers to make necessary adjustments in production of any given basic crop only if domestic surpluses should become abnormal and exceed manageable proportions.

"5. Intensified research to discover new crops, and new and profitable uses for existing crops.

"6. Support of the principle of bona fide farmer-owned and farmer-operated cooperatives.

"7. Consolidation of all government farm credit under a non-partisan board.

"8. To make life more attractive on the family-type farm through development of rural roads, sound extension of rural electrification service to the farm, and elimination of basic evils of tenancy wherever they exist.

"9. Serious study of and search for a sound program of crop insurance with emphasis upon establishing a self-supporting program.

"10. A comprehensive program of soil, forest, water and wild-life conservation and development, and sound irrigation projects, administered as far as possible at State and regional levels."

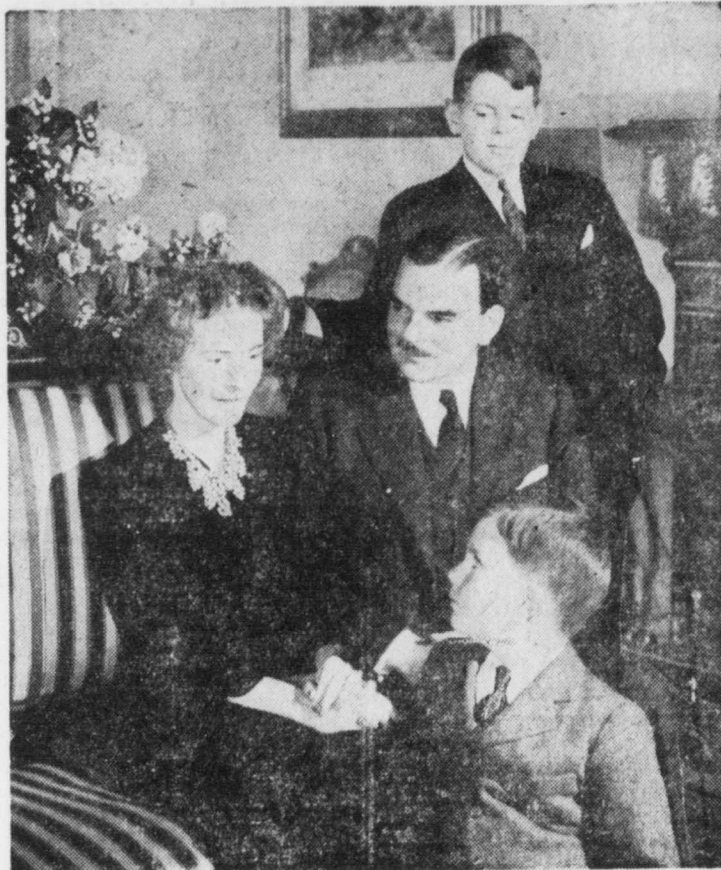

Want Him In Trench

What the men who are fighting this war think of the idea of keeping them in the Army after it is over because, as Maj. Gen. Lewis B. Hershey, head of the selective service, says, "We can keep them in the Army about as cheaply as we could create an agency for them when they are out," is expressed in a letter from 11 American soldiers "somewhere in Europe."

The letter, written on August 23, has been entered in the Congressional Record at the request of Rep. Woodruff of Michigan. The letter is said to have been received by Rep. Jennings of Tennessee. It follows, in part:

"Everywhere in the blood-stained hedgerows of

Dewey Family Group

Gov. and Mrs. Dewey, Tom Jr. and John.

France, the fox holes of Italy, the damp darkness of the jungle and in the shrapnel-torn skies of the world, tired, grim American soldiers stood up to cheer the latest morale booster of our beloved friend, Maj. Gen. Lewis B. Hershey. I quote from the Stars and Stripes of Aug. 23, 1944:

"We can keep people in the Army about as cheaply as we could create an agency for them when they are out."

"Right now we think that Gen. Hershey could be voted the man with whom we should like most to share a slit trench in the front lines, for we believe him to be a man of vision; a man of understanding—especially of the wants, hopes and dreams of the common soldier. It is this keen understanding and the general's well-known ability of expression and timing that will swing President Roosevelt back into the White House with the certain vote of every mother, father, sweetheart and wife who has a man serving overseas. That is why I urge you to support Mr. Roosevelt—he has such men around him to guide and counsel him in his moments of decision.

"As you can see, I can hardly control my enthusiasm, for we love it here and will love it even more so after the war is won. We love the simple life of ease and quiet dignity, far from the clamor and turmoil of America and home. Our only wish is that we can have an end to this dreadful talk of demobilization, this awful specter of returning home over the storm-tossed waters of the gray Atlantic. We want to stay here forever and forever among our pleasant European friends. (Yeah, friends.)

"We are certain that none of us would ever consider returning home to America and taking work away from the poor fellows who have so nobly stood up under the strains of gasoline rationing, cuffless trousers and union scales."

Start Over Again

"This theory of governing children by appealing to their reason isn't all it's made out to be," said a worried school teacher recently. "A youngster needs a little spanking once in a while.

One of my boys had skipped his classes, deceived his mother, been found out, and caused much unhappiness all around. I took him aside, and we had a heart-to-heart talk. Johnny sat still, looking at me intently.

"I thought I was making great headway. I never saw a child who seemed so absorbed, even fascinated, by my line of argument. But you can never tell. Just as I had reached the climax in my appeal to his better self a light of discovery broke over Johnny's face.

"Please, teacher," he said, "it's your lower jaw that moves, isn't it?"—Exchange.

One Week Remains In Which to Mail Packages Overseas

Postmaster R. M. Gorham reminded Villagers today that only one week remains in which boxes containing Christmas gifts for servicemen and women on overseas duty, can be mailed.

September 15 was the first date on which the boxes could be mailed in the special period of one month set aside by the Postoffice department for sending boxes without requests from the addressees, and the first week brought a deluge of packages. Since that time the shipments have fallen off somewhat, and Postmaster Gorham is pointing out that October 15 is the last date when they will be accepted.

There have been fewer refusals of packages this year than last for the public has learned to send boxes that comply with the regulations. No box can be longer than 15 inches, nor more than 36 inches in length and girth combined, nor can it weigh more than five pounds. No perishable goods should be sent, and articles in glass containers are not encouraged. Neither should any matches or other combustibles such as lighter fluid be forwarded through the mails.

Some local stores are carrying boxes of heavy cardboard made in the exact dimensions required by the regulations, and the postal authorities say they are the most satisfactory containers for packing the gifts.

Ostrows Purchase Home In Village

Mr. and Mrs. Barney Ostrow have bought the home at 274 Al-ejo street, owned by Mrs. Jennie Lawson and Capt. Harry Plymire and will move, with their sons, Gerald and Junior, into their new 12-room home at once.

The sale was negotiated by Mike Flavin of the Harold Hicks Real Estate office.

Does Uncle Sam still need WACS?

You bet he does! To keep on backing up "G. I. Joe" until this war is fully won in every theatre of operations. Then, to help in the big Army job of rehabilitation of liberated countries. And, in the meantime, to take care of increased casualties through the Army Medical Department. WACS are serving now in England, Normandy, Italy, India, Australia, Hawaii, Alaska and Labrador, as well as in this country. As a WAC you will live a rich, exciting, satisfying life... an experience you will treasure always. Inquire at your local Army Recruiting Station.

Brother of Local Officer Killed in New Mexico Crash

Lt. Dallas Buford, stationed here, was called to Clovis, New Mexico, this week on a sad errand, to attend the funeral of his brother, S/Sgt. Bernard P. Buford, who was killed in an airplane crash at Almagordo last Thursday. Mrs. Buford accompanied him.

S/Sgt. Buford, who was stationed at Tucson, Arizona, was on his way back to his base after visiting with his parents in Clovis, N. M., for about an hour. He was 26 years of age and had been in the Army for four years.

Lt. Buford is stationed at the Ferrying Command at Palm Springs. Previous to that he saw service overseas and was a patient at Torney Hospital before being stationed here. He married after returning from overseas.

tor of the association, who has been in the Village for some days arranging for the sessions, said today that the association was extremely grateful for the cooperation of Palm Springs in making the gathering the success that is indicated.

He said the spirit of the Village in inviting the session not only made it possible this year but also, because everyone apparently wants to come to Palm Springs, the largest in its history.

"Palm Springs, however, will profit by the sessions. The men and women they will entertain next week are men and women who guide America's travel tendencies.

"Palm Springs will have scores of advocates after the sessions to tell people all over the west that the Village is still very much the foremost desert resort—and they'll do just that," Mr. Robinson said.

Duties of Peace Officers Outlined By Supreme Judge

Importance of the witness chair was stressed last night by Superior Judge O. K. Morton in speaking before members of the Riverside County Peace Officers association meeting at Riverside.

The speaker contended that the making of arrests is only a part of the problem in law enforcement. Judge Morton was introduced by Hulbert Morse, Beaumont chief of police and newly elected association president.

Guests included Co. Earle R. Sarles, commanding officer of

Camp Anza, and Col. Walter Johnson, executive officer. The latter served as master of ceremonies in introducing several musical entertainers from the camp.

A dinner was served by wives of deputy sheriffs to 69 representatives of city, county, state and township law enforcement agencies.

Next meeting of the peace officers association will be held December 7 at Corona, upon invitation of Joseph Lowery, chief of police of the host city.

NATIONAL NEWSPAPER WEEK

OCTOBER 1st TO 8th

THE FUTURE will show how great has been the final achievement of the people of America . . . a free people . . . in defeating the fascist blackguards who have tried to overrun the world.

The people of this land have been quick to do all in their power to speed freedom's cause, because they are an informed people, thanks to the fighting columns of their newspapers.

Fighting columns—which have simplified and explained the need for, and methods of rationing. Fighting columns which have been able to salvage tons of scrap iron and fat from homes, farms, basements and attics. Fighting columns, which have sold the billions of dollars worth of War Bonds and Stamps which are paying for the war. Fighting columns, which have united public opinion

and helped clear away the debris of misunderstanding, confusion and petty bickering.

The menace of black markets has run the gauntlet, challenged by the newspapers, which keep us informed and remind us that ceiling prices are a weapon of war with which each of us must be armed. The speed with which our newspapers bring us the world's most critical news, has made it possible for us to move quickly — producing, fighting, and winning this war at every decisive turn.

Consider, therefore, the value of your newspaper to you; its value to our community; by considering it a champion of everything for which we are now fighting. It is living evidence of a Free Press—just as you are representative of a Free People. Together unbeatable—you have much to give each other—much to give the world!

County Tire Quota Lower For October

Just because Hitler is on the run, don't go around scraping your tires against curbs or jamming on your brakes. The tire situation is still acute and Riverside county's quota for October is slightly under the September quota. The county was allowed 1770 Grade I tires this month against 1806 in September.

Mrs. John Sprague And Family Return

Mrs. John Sprague and children, Billy and Mary-Jo, have returned to their home at 775 Paseo el Mirador, for the season. They have been spending the summer on a ranch near Placencia.

Mr. and Mrs. Lisle Morehouse, Mrs. Sprague's parents, will be with them most of the season.

Dr. E. K. Woods And Family Back In Town

Dr. E. K. Woods and family have returned for the winter and are getting their apartments on Mel avenue in readiness for the tourist season.

The property is to be known as "Casa Madera." Their daughter, Adele, is again enrolled at Nellie N. Coffman junior high school.

Global Gab Will Continue to Meet At Local Chamber

Global Gab, the town's weekly discussion group, is going to continue meeting at the Chamber of Commerce during the winter season, it was decided at the last meeting. And the subject for next Tuesday night will be "American magazines and newspapers during war-time."

The decision to stay at the quarters offered to the group during the summer was made only after considerable thought, for two other places paid the forum the compliment of inviting it to meet in their quarters.

The first was the American Legion which offered its new Dugout; the other was the Desert Inn, which offered the Fiesta House, where the group met during March, April and May.

One of the decisive factors for staying on at the Chamber is that it enables the group to retain Tuesday as its regular meeting night. And the topics chosen for the remaining Tuesdays of the month are as follows:

"Magazines and Newspapers," this coming Tuesday with T/Sgt. Freeman Holmer of Torney General Hospital as the speaker; "Should Women Go Back Into the Homes After the War," Oct. 17, Sgt. William Kelly, speaker; "How Will Communities Be Affected If Soldiers Bring Their New Religious Convictions Back to Civilian Life," Oct. 24, Mrs. Eva Menard, speaker; and "Are Communism and Democracy Compatible," Oct. 31, a debate between Pts. John Fallon and George Gitselson of Torney.

The meeting will be free, and informal discussion will follow in the refreshment period which is now restored to its winter status of nourishment with the return of Miss Thyra Cohen, who has been responsible for the refreshments in the past.

Henry Weinbergers Return to Village From Beverly Hills

Mr. and Mrs. Henry Weinberger have returned to Palm Springs to spend the season and expect to remain until next May. They spent the summer in Beverly Hills at the Beverly-Wilshire hotel.

Mr. Weinberger will be remembered for the tremendous jobs he did in war bond campaigns here, rarely failing to sell a quarter-million dollars worth of bonds in any campaign. He has also been a material aid in other public-spirited campaigns.

Acoma Indian Shop Opens for Season With Large Stock

The Acoma Indian Shop, 192 South Palm Canyon drive, opened for the new season this week with one of the largest and best stocks in its history.

Mrs. Ruth Bibb, proprietor, spent most of the summer looking for items for her clientele and after closing last June, went to Mexico City which she made her headquarters in buying jaunts.

She also visited beach resorts and her son-in-law and daughter, Lt. and Mrs. Frank Bogert and their two children, at Menlo Park.

Enemy Policy Increases Need of Supplies to Allies

Pointing out that the ruthless "scorched earth" policy of our enemies will mean increasing the supplies shipped to the allies not only for immediate use in the liberated countries, but also seeds and tools for replanting, the local committee stressed that War Chest contributions today will aid peace conversion tomorrow.

Preparatory to opening the campaign for War Chest funds, the chairman analyzed the needs of the 22 war related agencies participating in the October 9 to November 11 drive. In addition to the allied relief agencies and home front community agencies, other war front services benefiting are USO, United Seamen's Service, War Prisoners Aid, American Relief Trustees, U. S. committee for the Care of European Children, and American Field Service.

Exports to war stricken countries will exceed those of last year when 3,795,350 pounds of seeds for Russia, 80,000 packets of seeds for Britain, 11,200 medical kits for Yugoslavia and thousands of pounds of food and clothing were shipped.

Three From City Hear Discussion of Postwar Plans at Riverside Gathering Addressed By Director of State Bureau

Palm Springs was represented by Assemblyman-Elect Philip L. Boyd, City Manager Ray Sorum and Chamber of Commerce Secretary Walter Kofeldt at a meeting of the Postwar committee of Riverside county chamber of commerce at the Mission Inn, Riverside, Monday noon, at which time the picture of the situation in California was presented by Col. Alexander R. Heron, director of the state reconstruction and re-employment bureau.

Jams Kyle and John Estgate, were present from Cathedral City.

POSTWAR PLAN, TOPIC

Joseph Seymour of Arlington, chairman of the committee presided. Mr. Kofeldt of Palm Springs is secretary of the committee. Almost 50 from practically every community in the county were present. The postwar committee was recommended by the various chambers in the county which nominated representatives who were later appointed by the board of supervisors.

The state senate measure, adopted last year which set aside \$10,000,000 as a matching fund to help committees with postwar plans, was the principal topic of Col. Heron's talk. Each community is requested to submit a postwar plan and establish a fund matching the state's allocation. In Palm Springs, the state fund is \$4969 which the city will have to match if it is to participate in the plan.

OUTLINES PROGRAM

Col. Heron talked for more than an hour describing the expected situation in the state after the war and outlining what must be done.

He was appointed by Gov. Earl Warren who requested his release from war duties to take over the tremendous task in the state.

Howard J. Fulmer to Re-Open Union Station October 9

Howard J. Fulmer on next Monday will re-open his Union Oil station at 1100 South Palm Canyon drive under his own management.

The station has been leased to the U. S. Army air force for the past year and a half.

Mr. Fulmer, who has been here all summer, will bring Mrs. Fulmer back to Palm Springs tomorrow.

New Season Begun By Denslow's on Desert Inn Grounds

Denslow's, hte well known gift shop on the Desert Inn grounds, opened this week prepared for a busy season. Three sisters, Rachel and Blanche Denslow and Grace Menke, will manage the shop.

Redlands Terriers Nose Out Indians In Final Minutes

BY GILLAR BOYD

In their first practice game of the season, the Palm Springs Indians lost to the Redlands Terriers 7-0. During the last three minutes of the game, Palm Springs on their own 5-yard line, elected to kick. The kick to Devers was blocked and the ball rolled into end zone, where Dick Corwin pounced on it for the tally.

Mitchell then kicked a successful conversion making the score 7-0. On the first play after the kick-off the gun sounded, ending the game.

In the second quarter of the game Bob Lienau, right guard and acting captain, was kicked in the back of the head which knocked him out for a few minutes and Barger replaced him for the rest of the quarter.

The starting line-up for Palm Springs was: LE, Benson; LT, Jurado; LG, Outcalt; C, Omlin; RG, Lienau; RT, Delano; RE, Moseley; LH, Rude; RH, Bell; FB, Devers; QB, Slye.

Substitutes during the game were as follows: RG, Barger; RT, Klug; RH, Seger; LT, Boyd; RE, Sorum; QB, St. George.

Just A Farmer And Trying To Teach— But He CAN Sing

BY JUDITH MINOR

"Doesn't everyone know all about me? I'm a farmer trying to teach school," testified Alexander Hammond when confronted for an interview.

The students had heard that a certain new music teacher had a very nice voice, but then you know how the older generation goes on about those would-be operatic yodelers, hence, most of the good things said of him were discounted. Since Mr. Hammond was a "right guy", the students thought it impossible for him to be one of those "long hairs" whose warblings almost consistently contain a false treble.

By introducing a musical note in his Spanish classes he has succeeded in making education quite painless. His patience has endeared him to the hearts of many of his students, but looking forward to hearing him sing was quite another matter.

After all how could poor Mr. Hammond possibly compare with Bing Crosby or Frank Sinatra? Then came the Teacher's Assembly. Much to their amazement the students liked his voice. No, he was not a twittering tenor, nor a babbling basso. He was GOOD. That was all there was to it.

Could anyone after hearing him sing "I Am A Roamer Bold And Gay" from Son and Stranger by Menelsohn, the "Chancellor's Song" from Iolanthe by Gilbert and Sullivan, and "Old Man River", from Show Boat by Jerome Kern, possibly consider any comparison of the so-called "voice" or the "crooner"?

Having braved the great ordeal of facing an audience enamored of "Frankies", and having won their acclaim, Mr. Hammond has brought a ray of hope for the furtherance of classical music. Perhaps in some measure the faddistic trend of the contemporaries will be cast aside, that men with talent and training, such as Mr. Hammond, can take their rightful place in the music world.

Pay your telephone bill before the 30th and receive a discount.

Saddled with the least popular Journalism assignment, I don my bullet-proof vest in quest of anything "hot" enough to satisfy local "inmates."

The Indians really got the football season underway in grand style with our first game at Redlands, Friday. Due to a change in schedule the San Jac. game has been canceled, but Thursday we play Riverside, there. The team certainly appreciated the moral support given so freely by Stan Craig, J. T. Sullivan, and the kids that were at Redlands.

A supposedly "senior" swim party at Dart's turned into quite an evening... and morning! While Dart ate the food, we noticed old faithfuls Trudy and Bob... Bob M. enjoying himself in Julie's company... Sparky and Dennis reviving the lost art of jitterbugging, whilst Bob H. looketh on... Tom S. and Hook-ey murthering something about an agreement made at Patty's Wednesday evening... B. Emigh getting a hair-brush where it hurts most, applied by Delano... "engages" Neel and Smitty without Jack and Mabrey... Paul B. and Patty mixing dates and starting fireworks... Warner and Boots, both Friday and Saturday nights... J. O. and Shirley Renville... my, my!

We local yokels are happy to see Joy A. back, but where is Bernita?

Question of the week: What did Gillar see while peering through Inman's window Sunday evening? For further details, consult Klug and Wilson.

Donna down from S. C. over the weekend caused Tom Slye to forget "The Pact"... nice ankle, anyhow.

Joy A. doing all right with Bud F. Saturday and J. B. Sunday. WOW!

Delano, File and Forget: Unless you're drumming up trade for the local gardeners with Manley's rose-bushes, cease using your car as a plow.

Seen together this week, Cecil and Whitey.

Latest engagement... Lila to Howard Lee Gilbert of Indio. Seen her ring?

Until next week, I crawl back in the wood-work, leaving one thought: Next time get ripe pomegranates or a stomach pump for Lockett.

Special Rooting Section Planned By P. S. H. S. Girls

BY MARGARET WALKER

Tentative plans to form a special rooting section for the high school football games was discussed in an all-girl assembly last Thursday under the direction of Miss Vaske Hronis.

Pom-poms of maroon and white are to be made during activity periods by the girls and sold at the games.

The cheering section will wear white shirts and dark skirts. This is the first time P. S. H. S. has had any special cheering section.

Baron Chico Gives Assembly A Treat

Baron Chico and Vera, diplomats of deception, appeared on the high school assembly last Thursday morning. Baron Chico, formally attached to Torney General Hospital, is now back in civilian life. The magician appeared before the students in one of his first performances before starting on a national tour.

Get-Acquainted Party Scheduled For This Evening

BY SALLIE LOCKETT

Welcoming new students is the theme of the annual first dance of the year, being held tonight in the high school patio, under the sponsorship of the Senior Class, announced Trudy Sawyer, chairman of the dance committee.

Music will be furnished by the Torney General Hospital orchestra under the direction of Sgt. Tippin. Dancing will take place on the cement walks over which colored lights will be strung, for added decoration.

Entertainment, arranged by Bob Lienau, will feature the "Snooty Sinatra Serenaders" singing their versions of "Sweet and Lovely", "How Many Hearts Have You Broken", and "It Had To Be You."

Babs Neel and Barbara Emigh are in charge of refreshments which will include punch, cookies, sandwiches and potato chips.

Publicity for the dance is being handled by Art Jones.

Traditionally, the first dance of the year has been held at the Tennis Club, but because of repairs now going on, it was necessary to change the event to different surroundings.

All students and faculty members have been invited. Sports clothes are in order, and no admission will be charged.

May We Introduce

BY SALLY AND BOB

GIRL OF THE WEEK—

Black-haired, brown-eyed, and five-foot, three inches, this girl, one of those high-flying juniors, was born on August 3, 1928.

Her favorite actor is Clark Gable; actress, Ingrid Bergman. Spike Jones' arrangement of "Cocktails for Two" is the record she likes best and as to orchestra leaders, it's Harry James for her.

You can usually see her around the campus with Maureen Roybark, in fact, the two are practically inseparable.

She's a whiz for collecting records and is a fast tennis player. Facts about her love-life remain rather obscure but there's a U. S. C. Trojan mixed up in it somewhere. He is one of the first string Varsity but if you can find out which one of the eleven he is, you're a brain.

Conceit is her pet peeve and it really irks her. She likes many colors but sea-foam green is the one she goes for most and when it comes to eating, she's a glutton for hot dogs and cokes.

Well, if all these dead giveaways haven't helped you to recognize her by now, I present—Mary "Mickey" Abdun-Nur.

BOY OF THE WEEK—

With so many new faces around school, it becomes quite an achievement to center interest down to one certain individual for the May We Introduce column.

This handsome junior was born in Abilene, Texas. He refused to tell me when.

His love-life is rather uncertain at the moment, but my super-snoops tell me it is a blonde(?). "You're So Good to Me" is his favorite song and Andre Kostelanetz is his favorite orchestra.

He goes to all of Robert Cummings' and Betty Field's pictures.

From a close-up view, he stands about six feet, has beautiful hazel eyes and brown hair. He looks remarkably like Glenn Ford in face and build. Bwong!

As for foods he chooses salads. He adores blue as a color. Did you ever look into Pat Manley's eyes?

I asked his pet peeve and he yelled blondes. Something must be wrong here. He has been seen with Pat Manley and she is a blonde.

Hedy Lamarr is his idea of an ideal date. Who wouldn't like a date with her?

Special pals are Bob Hann, Pat Manley, Doris Sparkes and Dennis Seger.

This lad plays left end on the football team and drives the "bawgiest" convertible we ever saw. Watch for him in the next game and you will see one of the swiftest new guys in school. We proudly present Paul Levi Benson.

A German soldier captured in France had written the following in his notebook: "Blessed are those who retreat for they will see their homeland again."

Cheer Leaders Out On Demonstration At Assembly Rally

BY BARBARA BURTON

Cheer leaders gave a demonstration before student body yesterday, when the Pep rally was held in the assembly to determine which girls are to run in the election.

Election of cheerleaders will be held the first of next week in the auditorium, before school and at noon hour.

Girls who entered the contest yesterday were Trudy Sawyer, as head cheer leader; Barbara Neel, Barbara Emigh, Vivian Gaudiello, Carolyn Hogg and Joanne Hook-ey.

Miss Hronis is in charge of contestants, and has been interviewing girls who want to compete.

Only Juniors and Seniors are eligible candidates.

"Boys, I'll tell you what Free Enterprise really is!"

"It's a lot of little things—and some mighty big things, too.

"But in a nutshell, it's our right to live our own lives, run our own farms and our own businesses in our own way—without needless interference.

"It's our right to criticize the government, bawl out the umpire, belong to the Grange, or make a speech on the public square. It's our right to travel when and where we choose—to work or not, as we please.

"It offers opportunity to anyone who really wants it. It rewards thrift, hard work and ingenuity. It thrives on competition and raises our standard of living. It encourages invention, stimulates research and promotes progress.

"It offers us a chance to save and invest and build and grow.

"Under Free Enterprise men who have faith in an idea can take risks to develop it. Our railways started that way. So did the motor car industry—and oil and steel and aviation and scientific mechanized farming.

"Free Enterprise made small farms and factories into big ones—and then started more small ones. And now, fighting a desperate war in which production will turn the scale, America is out-producing every other country in the world, hands down—and is doing it faster and better.

"Yet in spite of all this, some folks would like to change our American way of doing things—and rebuild

Coroner's Jury Names Boy, 9, in Death Quiz

A coroner's jury which Tuesday morning heard evidence in the death of little 15-month-old Robert Lilly, son of Mr. and Mrs. J. C. Lilly of Palm Springs, returned a verdict that the child's death was due to a blow inflicted by a stick in the hands of Algy Jackson, aged 9.

Information charging murder was filed in juvenile court shortly afterwards by Chief of Police Lyle J. Sanard. The boy was taken into custody of the juvenile court shortly after being examined here by District Attorney John Neblett and Coroner Ben White. He is being held at Riverside pending his hearing.

In his statement to officers, the nine-year-old lad said that he was playing a game in which he

whirled a heavy stick around until he grew dizzy. The baby, he told police, got into the way of the rapidly whirling stick and was struck. The boy told police he had his eyes shut as he was whirling around and did not see the little child.

Joseph Seymour, an attorney from Arlington, who has been engaged to defend the youthful Jackson boy, says there are several discrepancies in the lad's story. Seymour was at the inquest Tuesday and also questioned the boy's parents and playmates.

Both the slain child and the accused boy are colored.

March Field Puts Over 2-0 Win in Tight Game Here

March Field's All Stars came to Palm Springs last week and put over a 2 to 0 win over the 21st Ferrying Group Softballers.

It was a pitcher's battle with only eight hits being registered during the seven frames. March Field got five off Cartwright and turned them into two runs while Wesloski of the March Field team held the local boys to three scattered blows.

Two errors in the sixth inning, after Cartwright had held the visitors to two lone hits for five rounds, spilled the beans and gave the visitors their win.

16 Teams Compete For Kegling Crown At Army Air Base

Sixteen teams from the 21st Ferrying Group, Palm Springs Army Air Base, will swing into action next week at league play begins at Ad Allegrini's Palm Springs Bowling Academy.

Present plans call for two eight team leagues with a play-off at the end of the season to decide the champion.

Handicaps will be set after the first rounds which start next Monday.

Golf Course Put Into Shape for An Active Season

John Kline, superintendent of the Desert Golf course, has been putting on the finishing touches this week getting the fairways and greens in shape for the season.

After a summer of play, Kline and his aides started a few weeks ago on getting the course ready for winter visitors and Villagers and it is really in fine shape.

First tournament play of the new season will be next Thursday when visiting hotel men, attending the California Hotel Men's association sessions here, stage their annual tournament.

The usual tournaments next spring are on the season's program and Superintendent Kline expects one of his busiest years.

Flyers Trim TGH Softballers 9-1 In Snappy Game

The 21st Ferrying Group "All Stars" took on Torney General Hospital last week in a softball game and "took on" is the right phrase.

The Flyers took the Hospital team by a 9 to 1 score.

S/Sgt. Glenn Cartwright, tossing them for the Air Base, allowed only two hits while his teammates amassed 11 to manufacture nine runs.

Sgt. "Ham" Torrello caught one to his liking and belted it into deep left for the game's only four-ply swat.

Briefs Filed In Injunction Suit

City Attorney Roy W. Colegate and attorneys for R. N. AT THE AIR BASE—Home from 16 months active duty in the Southwest Pacific, Pfc. Anthony Ruffino of Modesto is taken from the huge army transport plane which brought him to the 21st Ferrying Group Air Base here for extended treatment at Torney General Hospital. Serving with the 105th Infantry Regiment, Pfc. Ruffino was in active combat on Saipan for 21 days before receiving severe gunshot wound.

AND AT TORNEY—Happy to be home from Southwest Pacific islands where he served for many months with the Army Signal Corps, Pfc. Robert Fernandez of Los Angeles, is visited by Miss Mildred Gavin, Red Cross Social Worker, stationed at Torney General Hospital in less than an hour after his arrival at the hospital by plane. Pfc. Fernandez received a leg wound while on duty overseas and was hospitalized on Guadalcanal and the New Hebrides before being flown home for further care.

Torney General Hospital And Air Base Cooperate In Army's Huge Air Evacuation Program For Casualties From All Fronts

Torney General Hospital and the 21st Ferrying Group of the Ferrying Division, Air Transport Command—the two local army installations—are both cooperating in the Army's huge Air Evacuation program which has to do with the transporting and hospitalization of war wounded between hospitals and between coastal hospitals and hospitals close to the patients' homes.

Air evacuation of war wounded is not an exact novelty to Army personnel. In 1942, almost 171,000 sick and wounded soldiers were moved by air, those returning to this country being handled by Air Transport Command planes. However, domestic air evacuation on a mass scale dates from April 19, 1944, when the Ferrying Division accepted responsibility for the job. Huge C-47's, carrying complete crews and from 18 to 24 patients, are used in this work.

Skilled and highly trained

Flight Nurses, many of whom have had overseas experience, and Medical Technicians who also have received training for this specific job, are assigned to Air Evacuation aircraft. The pilot personnel are carefully screened in order to procure the most competent for this particular task. Since April 19, the Ferrying Division has moved almost 15,000 patients without injury to any of them.

The 21st Ferrying Group of the Ferrying Division, ATC, at the Palm Springs Army Air Field, under the command of Lt. Col. Frederick H. Foerster, Jr., and the Torney General Hospital, under the command of Colonel A. B. Jones, are both playing an important part in this Air Evacuation project.

FROM ALL FRONTS

Carrying cargoes of men who have fought in France, Italy, Burma, China and on the Southwest Pacific Islands, huge Army transport planes are arriving weekly at the local air base with battle casualties being returned to Torney General Hospital for treatment.

Flown across the Atlantic or the Pacific in planes over routes established by the Air Transport Command, these veterans often reach home soil in less than five days from overseas installations. Hospitalized briefly at one of the Army Air Force Regional Hospitals, each man is subsequently flown by Ferrying Division plane to the Torney General Hospital nearest his hometown for extended hospitalization.

Among Ferrying Division Air

Evacuation transports this week arriving at the local air base was a C-47 carrying 17 Southwest Pacific casualties to Torney General Hospital and points east. Of the seven patients from this group designated for Torney, two were injured while serving in the battle of Saipan. Others had seen combat from the Aleutians to Bougainville.

During the last two weeks Torney hospital wards have received scores of men from all theaters of combat and all branches of the Army, including the little known but tremendously important "Y" Force which has been operating with the Chinese Expeditionary Forces in Western China since March, 1943.

OPERATE 11 PLANES

The Air Evacuation at the local Ferrying Division air base consists of 20 Flight Nurses, 20 Medical Technicians, three clerks and three medical officers. They operate a total of eleven C-47 planes flown by picked Ferrying Division pilots and co-pilots. To date, the local unit has flown a total of 409,627 miles and moved more than 1800 patients to General Hospitals throughout the United States.

Supervised by Major David M. Engelhardt, group flight surgeon at the local air field, other key personnel of the Air Evacuation unit include Capt. Robert B. Smallwood, officer in charge; Capt. Claude B. Knight and Capt. John Gilbert, medical officers, and Second Lieutenant Dorothy Barrows, chief flight nurse.

FROM TORNEY

Comfortable ambulances from Torney General Hospital meet each ship as it lands and parks on the flight ramp at the local air base and the patients are quickly sped away to all the comforts and skill available at Torney Hospital.

All personnel connected with this program at the two local Army installations are proud of their part in it. It has been said by experts that the Air Evacuation program has been a great factor in boosting the morale of war wounded patients and greatly assisted in their speedy recovery.

SCRAP TO JAPS

For years the Republicans fought to place an embargo on scrap iron to Japan. On January 3, 1939, Rep. Fred Crawford, (R. Mich.) introduced a bill in Congress to stop the sale of scrap iron, pig iron, and steel scrap to that country. Not until 1941 did the administration stop the sale of scrap. This was too late to prevent the building of the Jap war machine.

In the first 8 years of the New Deal, over 10,000,000 tons of scrap iron went to Japan. This amount would have built 20 battleships of 45,000 tons each; 50 plane carriers of 30,000 tons each; 100 cruisers of 15,000 tons each; 500 submarines of 2,400 tons each; and still leave nearly 5,000,000 tons for planes, tanks, bombs, torpedoes, and bullets.

During the Roosevelt depression we were buying toys, novelties and crockery from the Japanese while American plants remained idle. Our plants could not compete with 25-cents-per-day Jap labor.

Palm And Andreas Canyons to Be Open Sundays, Holidays

William Veith, local Indian agent, announced today that Palm and Andreas canyons would be open from 9 a. m. to 6 p. m. on Sundays and holidays with a strict ban on smoking or fires. Picnics will be approved.

Mr. Veith also said that parties wishing to picnic in the canyons on week days could make arrangements by conferring with him at the Indian office, 128 North Indian avenue.

"There's plenty of shade and water in the canyons," he said.

City Attorney Roy W. Colegate and attorneys for R. N. Buckwalter, cigaret machine operator, have filed briefs in superior court in the suit of Buckwalter against the city seeking a permanent injunction to prevent enforcement of the city's licensing laws which levy a fee of \$6 per year for each machine.

Decision is expected later in the month.

Planners Approve Three Requests for Business Licenses

Three recommendations of the city planning commission were approved by city council Wednesday when it was voted to grant permits to Wayne Springer, to renew his plumbing business at 410 North Indian avenue; R. R. Dunlap to establish the Greyhound Bus depot at Andreas road and Indian avenue and Charles Adams to open linoleum, flooring and general carpentry business at 256 South Indian avenue.

All applications were found by the planning commission to be within the limits of the zoning laws.

No Report Ready On License Change

No report was ready, Councilman Walter Z. Allen, chairman of the Finance committee told council Wednesday on a study of the city's license measure.

It had been proposed at a recent meeting of city council to amend the law so as to exempt businesses starting in the middle of the fiscal year of the ten percent penalty now attached to all licenses delinquent 30 days after the start of the year.

Proposition No. 1 Enables World War II Veterans to Acquire Homes and Farms

(By George J. Hatfield, State Senator, 24th Senatorial District, Former Lieutenant-Governor; Irwin T. Quinn, State Senator, 3rd Senatorial District; Walter J. Fourt, Assemblyman, 28th Assembly District.)

This measure will do for Veterans of World War II what California by similar measure has done for Veterans of the first World War. It will give them opportunity to acquire homes and farms of their own selection, through the Veterans' Welfare Board, in their several communities where they live and have their friends.

The State's experience of more than twenty years demonstrates the soundness of this measure. World War II Veterans will be enabled to obtain their own homes and farms at reasonable prices, and at a low rate of interest, all made possible because of the State's buying power and use of its credit in making the money loans available.

The indirect benefits accruing through enabling 19,000 Veterans of World War I to own their own homes and farms are incalculable. It enabled California veterans to become home-owning citizens — taxpayers — self-respecting and independent. The same legislation and opportunities are embodied in Proposition No. 1 on the November 7, 1944, ballot, for World War II Veterans. History shows that the State is strongest and least apt to suffer from internal agitations which has the greatest number of citizens owning the homes and farms upon which they live.

Proposition No. 1 will make \$30,000,000 available to World War II Veterans for the purchase of farms and homes, under the same prudent and efficient management of the Veterans' Welfare Board, in the new development that these homes and farms will represent, and the satisfaction to all of us in having seized the opportunity to participate in making these things possible; in token of grateful respect which is ours for those sons and daughters of California who are giving their all for Liberty and Lasting Peace throughout the seven seas in a war-torn world.

Glen R. Westcott Operated Upon for Old Army Injury

Glen R. Westcott, former Villager, is now in the station hospital at Camp Haan, and has been since Aug. 29. He recently underwent an operation for an old injury received when with the U. S. Cavalry at Nogales, Arizona, in 1916.

Westcott, who operates the Safeway Construction and Cesspool company on South Indian avenue, hopes to be back here within a few days.

"And please send me The Desert Sun. I want to keep up with the Village."

Report On Health Measure Delayed

Dr. Warren C. Fox, county health officer, was in Palm Springs Wednesday conferring with Armand Turronet, chairman of the Health and Sanitation committee of city council, on periodical examinations for food handlers.

Mr. Turronet told council that evening that inasmuch as part of his committee was out of town he would make his complete report on the conference at the next meeting of city council.

John Connell, USN, In Town On Furlough

John Connell, former city councilman who recently enlisted in the U. S. Navy, arrived in the Village Tuesday on leave after completing preliminary training at Camp Farragut, Idaho.

After a two week furlough here with his wife and daughter, he will return to Idaho for new assignment.

HAIR BOW HINT

From five to 50, the female of the species wears bows in her hair. Keep them looking pretty by washing them when the ribbon is mussed or soiled. Use a basin of sudsy lukewarm water and give them very gentle rubbing, plenty of cool rinsing, and then iron between pressing cloths. A little starch may be helpful in restoring crispness. If there is doubt about color-fastness, wash each ribbon separately.

Change in Wac Enlistments After Oct. 30

In the interest of greater flexibility in the assignment of members of the Women's Army Corps to military installations where the need for their skill is the most pressing, all enlistments after October 31 will be for general assignment, Major Knox Manning, in charge of WAC recruiting for Southern California, announced today.

Recruiting for women possessing specialized skills, such as medical technicians needed by the Army Medical Department for service in Army hospitals, will continue under the general assignment plan, Major Manning pointed out in emphasizing that the need for Wacs is just as strong as ever, and that the change in policy by no means indicates any let-up in WAC recruiting.

WAC recruiting office is in Room 205, Postoffice building, San Bernardino, California. Telephone 34133.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney General Hospital, Palm Springs
(Pfc. Ted W. Engstrom)

TWO TORNEY WAC OFFICERS COMPLETE YEAR OF SERVICE

On a very hot day a year ago October 1st, two attractive, smartly groomed WACs, typical of the branch of service they represent, stepped into the Administration Building of Torney General Hospital. With a snappy salute, they, 2nd Lt. Helen C. Bowen and 2nd Lt. Lydia Bigler, reported for duty at this post, anxious to learn what their first assignment held in store.

Needless to say, these two women in uniform—first to arrive at Torney—created plenty of excitement, and all heads bobbed up to give them the eye of approval. Everyone was anxious to get a glimpse of these two crusaders and went out of their way to see for themselves just what an officer WAC looked like.

Each has made definite strides in her respective field: Lt. Bowen as Chief of Civilian Personnel Branch and Lt. Biler as Assistant Dietetics Officer. Both have attained the admiration and respect of their employees and fellow officers.

Felicitations and best wishes for a year of service well rendered and may we all continue to strive with the same objective in mind—PEACE!!!

NEW LIBRARY ACTIVATED

A new and complete film library is being organized and set up here under the direction and sponsorship of the Educational Reconditioning Branch. The finest motion picture equipment available is being assembled by Pfc. Robert Hunter, who is acting as "custodian, proprietor and operator" of this valuable property. The library is housed in Building 74.

In addition to more than 100 reels of orientation and training films, film bulletins, Snafu cartoons and the like, Pfc. Hunter states that he has received four new 16 mm. RCA sound projectors, three 35 mm. film strip projectors, a large reproduction machine complete with microphone and turntable, six screens and two balopticons. These latter reproduce any maps, pictures or printed matter on the screen, enlarged to full screen size and in full color. In addition to the projectors for large audience showings, the library includes a small reverse-screen sound projection device which may be employed for showing movies to bed patients or for previewing purposes.

The film property is to be used for the benefit of both the command and patient personnel. The new library films will be shown in addition to the circuit film releases received by the Educational Reconditioning Branch each week.

RETURN TO CIVIES

Sgt. J. Edgar Moore and Pfc. Lewis R. West, two overseas patients of Torney General Hospital were given Honorable Certificates of Disability Discharge at this station Wednesday, September 27.

Sgt. Moore, a resident of Des Moines, Iowa, and former patient of ward B-1, completed three years and nine months active service with a railway operating battalion participating in the operations of the group in India. Pfc. West, of the 12th Service Squadron has returned to his home in Sacramento, California, after completing one year and ten months service including overseas service with a Service Group in the India and China theaters, West, during his Torney hospitalization, was a patient on ward B-2.

PLAN RECREATION PROGRAM

At a meeting of the membership of the Torney General Hospital Civilian Employees Club, held last Monday, Sept. 25, the following officers were elected: Jean Bybee, Dental Service, President; Reginald Jones, Post Engineer, Vice President; Melba Welton, Medical Service, Secretary; Martha Reed, Post Engineer, Treasurer. Committee chairmen appointed to date are: Hostess, Melba Welton; Entertainment, Gertrude Berthold; Refreshments, Don Cameron; Decorations, Alyce Gebler; Publicity, Ila Johnson; Membership, Myrna Smart; Finance, Rebecca Owens.

OPEN NEW CLUB

Formal opening of the newly acquired Civilian Club House was held Monday evening at 8 o'clock when civilian employees and their military and civilian guests gathered to honor Lt. Helen C. Bowen, chief of Civilian Personnel, who celebrated the first anniversary of her arrival at Torney last week.

A huge white cake decorated with a brief "Best Wishes" was cut by Lt. Bowen at the conclusion of the entertainment which included songs by Hazel Henderson and Tec. 5 Barney Perry, accompanied by Tec. 4 Roy B. McDaniel; original songs of Pvt. Jack S. Beeman, recently returned to Torney after months in the Southwest Pacific; and accordion numbers by Louella Hikes of the civilian staff.

Formal expression of appreciation to Col. A. B. Jones, commanding officer of the hospital,

Husband of Desert Woman In Charge of Invasion Ship

Mrs. Allan H. Guthrie, indefatigable Red Cross worker of the Desert Hot Springs-Garnet district and a leader in civic affairs, has just received more interesting news from her husband, Commander Allan H. Guthrie, who is in charge of a fighting transport in South Pacific waters.

Cmdr. Guthrie, an Annapolis graduate and a veteran of World War I, has taken part in all of the major invasions in the war against Japan—Saipan, Guam, the Marshalls and others.

WOUNDED IN EYE

It was in the spring in the Marshalls attack that a bursting Nip bomb sent fragments of shrapnel into his eye, severely wounding him. He was taken back to Pearl Harbor and hospitalized. After an operation, he went back into action in command of his ship where the fighting was the thickest.

Prior to assuming command of the ship, he was temporary commodore in charge of many convoys which found their way across the Pacific safely.

HAS CLOSE CALL

Cmdr. Guthrie was graduated from the naval academy and commissioned in 1912. He served in World War I and retired in 1933, narrowly escaping death in an accident on his undersea craft which filled it with chlorine gas. Only one other man on the ship escaped. This other man is now also serving in this war.

When called back into service when the present war was threatening, he was still ill from the effects of his experience. In fact, he came to reside in the desert because of his health.

FIXED UP FOR WAR

The navy, however, sent him to Norfolk where several doctors from Mayo's Rochester clinic who had joined the navy were stationed. Two major operations were performed before he was able to take command of a ship.

"He went into the war a sick man—but says that now he never

felt better in his life," commented Mrs. Guthrie.

She has also been informed that her brother-in-law, Commander J. L. Curley, has just been appointed port commander at Saipan.

Cmdr. Guthrie was home last on a brief furlough in April. He writes he doesn't expect to be back again until after the war.

In contrast to the Woman's parity's list of unequal rights, it must be noted a sizeable compilation particularly in the fields of divorce and liability for support, could be made in which the husband gets the short end.

NEW LOUNGE HELPS

A cozy, convenient room where patients and personnel of this Post may wait for their long distance telephone calls to relatives and friends to come through has been recently opened in the Reconditioning Headquarters, Building 75. The Lounge is equipped with comfortable lounge chairs, tables and a supply of magazines, with, of course, the necessary telephone facilities. It will be open until 10 o'clock each evening.

FOR RENT

Joe Henderson In Village On Leave From Navy Duties

Joe Henderson of the U. S. Navy, arrived last Sunday on a week's vacation after completing boot training at San Diego. He will report back next Sunday to the San Diego base. He is visiting his wife, Moya, of the high school teaching staff, and his two children.

He is the son of Mr. and Mrs. Charles Henderson of Sunshine Court.

Maurice St. George Here On Furlough From Sea Duties

Maurice St. George, son of Mr. and Mrs. Charles St. George of Palm Springs, was in the Village this week visiting his parents. He left Tuesday night for Corpus Christi, Texas, after a 10-day furlough here.

Member of the U. S. Navy, he has been stationed at Trinidad, South America, for the past two years and has seen action in South Atlantic waters.

Hy Freeman Now At Mitchell Hospital

Hy Freeman, well known Villager, who has been hospitalized at the Birmingham General Hospital after long service in the South Pacific, is now at the Mitchell Convalescent hospital, Camp Lockett, California, according to word to friends here.

Dr. Leon Wilbor of Cathedral City has just returned from a trip made in the interests of the American College of Surgeons which took him up and down the coast from San Francisco to San Diego.

Palm Springs Boy Scout Honor Court Scheduled Dec. 1

Members of the district committee of the Riverside County and Redlands Council, Boy Scouts, met at the office of Charles Matthews Wednesday evening to discuss plans for the new season. Harold Lienau, vice chairman, presided in the absence of Paul Summers, chairman.

It was decided that the next Court of Review would be held Friday evening, Nov. 24, at the Scout House and the next Court of Honor on Friday evening, Dec. 1, at the Frances S. Stevens school. Dr. E. E. Oertel is chairman of the advancement committee and Lt. Col. Willard L. Nielson of Torrey General Hospital, is arranging the program.

It was also announced that Troop 39, the local Scout troop, will participate in the council Pow-Wow at Evans park, Riverside, on October 28.

Troop 39 is sponsored by the Palm Springs Rotary club and Police Chief Lyle J. Sanard is Scoutmaster.

Present at last night's meeting were Harold Lienau, W. S. Kenney, Riverside County and Redlands Council representative, Frank Doro, Lloyd Simon, Lt. Col. W. L. Nielson, Carl G. Lykken, Dr. Hartley Widdess, Phil Delano, Chief of Police L. J. Sanard, Police Sgt. Orest Johnson.

Pilot Whose Skill Saved Crew Lives, Honored at Air Base

First Lieut. Otis D. Page was honored last Saturday at a ceremony at the army air base here when Lt. Col. Frederick H. Foerster, commander of the 21st Ferrying Group, had read a commendation for his skill in bringing a crippled B-25 safely to earth with only one motor functioning and saving the lives of himself and crew.

The incident occurred Sept. 20 and the big plane was brought down in the desert near Palm Springs. It was badly wrecked but the skill of Lt. Page saved the lives of all aboard.

Mrs. Melvin J. Weyand of San Jose and her mother-in-law, Mrs. Albert H. Weyand, left this week for their home in the north after a three-week visit with Lt. Melvin J. Weyand who is a patient at Torrey General Hospital.

Cathedral City

By W. R. HILLERY

On October 4th in his eighty-fourth year, Robert Martens died in Cathedral City. Mr. Martens was one of those rare characters whose passing leaves his community poorer. He was honest,

generous and always kind in word and deed. This is not said in the usual kind words eulogy that many people get and maybe do not deserve in full measure. From memory I can only tell a little of his history. He was born in Germany and after his military service there, came to this country as a young man. He once mentioned that after the death of his mother he had no further relatives in the old country and none here. After a serious auto accident many years ago in San Diego county he came to the desert for his health and built one of the finest homes in Cathedral City and has lived here continuously since moving here.

He was known as one of the best amateur experts on desert trees and shrubs. He passed away at the home of Frank Wise whose family had looked after the ailing bachelor for the last several years. Funeral services were held in Indio to be followed by cremation in San Bernardino. Some of us as a slight token of our love for Robert Martens, will purchase memorial books for the local library, others will furnish flowers, which he loved so truly.

Here are some of the returning wanderers after spending their summers elsewhere. Mrs. Wm. G. Hagen and in this case I missed telling you that Mrs. Hagen had returned last week. Miss Esther L. Petterson to her home which she purchased last year. Otto Burgener for an indefinite stay from his home in Norwalk. Frank Harrington, who, with George Washington and Mr. Martens, were the first home builders in the village. Geo. E. Cryer for a rest in their beautiful desert home.

Mrs. Perry E. McCullough who recently sold one of her three units here to Dr. Wright of Laguna Beach who has spent a number of winters in our village.

Mr. and Mrs. R. J. Laas for a day before returning in another ten days to occupy their home in Cathedral City for the winter.

Our good neighbor, Raymond Cree who, while he does not live in the village, resides so near by that we share the claim of Palm Springs.

I wish I did not have to mention this news, but Mrs. Leo Brown, who with her husband, has lived here many winters and who several months ago was taken to the Redlands Hospital, suffered the amputation of one of her legs. The surgery was necessary in an effort to save her life. Were it not for the fact that so many men will now be coming home minus limbs, much as that is to be regretted, it will mean that we will have many people with what many think is a handicap.

Chet Mero gave us all a surprise the other day when he announced that he had sold his wife's, Helen's Beauty Shop, to a Mr. and Mrs. Sprague. We are indeed sorry if that means that Helen will retire from business here where she has been very popular. As a matter of fact we have little information about any future plans of the Meros.

Death struck in our family circle for the second time within two weeks when Miss Margaret Jennings, 87-year-old aunt of my Marguerite and the sister of Mrs. Sarah Hudson and Mrs. Nellie Heard, passed away at Loma Linda on the 27th of September.

The three sisters had moved here last winter to make their home and all were doing nicely until Miss Jennings, who was affectionately called Aunt Maggie, became ill and was taken to the hospital.

In Los Angeles we were joined by another sister, Mrs. Fred

Dor and her husband, who attended services at the mausoleum chapel of Calvary Cemetery where the family burial lot is located. The remaining sister and only other living member of the Jennings family, is Mrs. Wm. Rasmus of Mobile, Alabama. Neither Mr. and Mrs. Rasmus nor their two daughters were able to attend.

To me there is romance in many lives and in this case Miss Jennings was the eldest of seven daughters born to Austin Jennings, a Clydebank shipbuilder. Left a widower soon after the birth of his seventh daughter, Aunt Maggie took over the duties of mother and gave her life to the care of her sisters until she in turn had to be cared for by them. The entire family came to this country from Scotland when the daughters were all young women and all carved out their niche here in a most creditable manner. So Maggie is gone and we have only the memory of that bonnie lassie who dedicated her life to her sisters and did a mighty fine job of it. We want to thank our local friends for their kind expressions and floral tributes.

A bit of sunshine and humor came our way when we stopped to visit Professor and Mrs. James W. Kyle at their Redlands home the other day. We discussed the reconstruction program to follow after the war and its tremendous importance not only to the nation but to every community that plans and has a definite program to start on. I had to "kid" him on the difficulty I had in finding street signs in his home town where he had lived so many years while here his efforts had resulted in a sign system that all of us are proud of. Then we got to talking about the names of communities. He told me that at first he had not cared for the name Cathedral City but that it had grown on him until now he would not want to see a change made. He said that the name California and Los Angeles were magnets to many people and then with his whimsical humor he said so many people wanted to see the city of the Angels knowing there were no angels there and that they wouldn't even see a feather of one if they came to Los Angeles. The Greek classes that he teaches are to end this month and then he and Mrs. Kyle are to return to their desert dwelling in Cathedral City.

I haven't had a chance to talk to James K. Wolseth, our chamber of commerce president, nor to Marie Ide, secretary, nor to W. C. Wilkes who so ably managed the sanitary program last year but they met and the pick-up is going on and every householder is asked to aid and assist the community effort again and don't be too tough where so many volunteers are concerned in trying.

Women of Village Form Republican Women's Council

Temporary organization of a woman's republican council in Palm Springs was effected yesterday at a meeting at the republican headquarters near Andreas and Palm Canyon drive.

There were 26 women present and Mrs. Melba Bennett was named temporary chairman with an executive committee of Mrs. Gertrude Knowles, Mrs. John Hormel, Mrs. Henrietta Parker, Mrs. Hortense Murray and Mrs. Martha James to assist her.

Permanent organization was being made at a meeting this noon at the headquarters.

It is the intention of the council to work with the national council and to bring about precinct organizations here to get out all of the republican vote.

Present at today's meeting were Mrs. Helen Stanley of Riverside, county chairman of the republican women's council and Mary Gard Jameson, state council and also county council treasurer.

Reorganization of Cub Scout Pack Topic of Meeting

Reorganization of the Palm Springs Cub pack was discussed last night at a meeting at Frances Stevens school at 7:30 p. m.

Police Sgt. Orest Johnson is Cubmaster.

The Palm Springs Lions Club is sponsoring the Cub Pack and Phil Delano is chairman of the Lions Club committee in charge of the work and he and his committeemen were present at last night's meeting as was W. S. Kenney, representative from the county council office at Riverside.

Members of Pack 81, Cathedral City, sponsored by the Chamber of Commerce of that community, also were present.

Tray and Mrs. Rogers of Rogers Ranch, popular Villagers, spent a few days in Los Angeles this week, stopping at the Town House on Wilshire boulevard.

ing to make the job a real sanitary service pending the formation of a district for that purpose. Will you mail in your checks now to Sanitary Service or to Mrs. Marie Ide.

A copy of the Desert Sentinel which is the community paper of Desert Hot Springs came to hand and its credit to that thriving community. In it I find quite a splash by Cabot Yerxa and that pioneer of the desert with his varied talents is the type who has what it takes to make a splash. My interest in this unusual gentleman stems from the fact that he was first a pioneer of the Nome district in Alaska.

Fellow Cathedralites. Wear your checkered shirts or what have you to go with Levi Strauses, etc., and join whole heartedly in the festive Western Days of our neighbor Palm Springs. It's an area affair anyway and you should be a part of it.

80 Youngsters In School Orchestra, Expect Many More

Miss Katherine Finchy, superintendent of Desert School district said today that 80 youngsters in the four schools of the district had enrolled in the new course in instrumental music being offered this year with Mrs. Dorothy Smith as instructor.

She said that the students would be instructed in the fundamentals and as soon as proficient, would be formed into an orchestra. She said she believed the orchestra would include 100 youngsters when completed.

At present the instruments chosen by the youngsters are violins, 15; piano, 12; clarinet, 15; trumpet, 9; guitars, 5; cello, 1; drums, 6; mellophones, 2; accordians, 3; alto horns, 6; bells, 1; saxophones, 6; eight or ten have not chosen their instruments as yet.

Desert Museum to Open For New Year Sunday, October 15

Dr. and Mrs. T. D. A. Cockerell, of the Desert Museum, have returned to the city after summer spent at Boulder, Colo., their old home. Dr. Cockerell still maintains an office at the University of Colorado at Boulder.

Miss Inez Hale of Boulder, accompanied Dr. and Mrs. Cockerell to the city and will act as assistant at the Museum.

The Museum will open October 14 for the season and preparations for the opening are now in progress. The program for the year, which is expected to be even more active than last year, is being mapped and will be announced soon.

Allah and Neptune Join Hands For Mammoth Maritime Shrine Ceremonial Saturday October 7th at Long Beach

Several hundred candidates will traverse the briny deep instead of treading the desert sands when they become the nobles of Al Malaikah Temple in a spectacular seaside pageant for which Potentate Francis A. Little Gallery of The Desert Will Be Opened October 15 At Desert Hot Springs With Many Paintings Shown

The Little Gallery of the Desert of Desert Hot Springs will be opened October 14 by J. Marie Ropp, wife of the well known Laguna Beach artist, Roy M. Ropp.

The public is invited to attend the opening and reception between the hours of 5 and 9 p. m.

Pictures on display will be those of many well-known desert painters, Burt Proctor, Agnes Pelton, Fritioff Pearson, Roy M. Ropp, John Hilton, Cabot Yerxa, Joanne Cromwell, Kurt Reinman, J. C. Bowman, L. C. Vannerson, Anna A. Hills, Vanna Webb, Axel Linus, Galen Doss, George Frederick. A cultural treat is in store to all those who make the trip to this Little Gallery of the Desert.

"For many years I have been in charge of art exhibits in different cities and have found the public to have an increasing interest in paintings depicting the desert," J. Marie Ropp said.

"For a long time I have dreamed of a gallery on the desert where the public could come and see desert paintings right in the environment and surroundings where the artists work. Living on the desert as they do, they interpret the desert in all its varying moods and fantastic changes of color.

"In this way that mysterious something which we call the spirit of the desert is captured and spread on canvas for others to see and enjoy. The desert has many moods, and each artist is inspired to record what he sees and feels of them.

"The public can view the finished work by these artists and see which mood of the desert appeals most.

"The exhibit will be constantly changing so that visitors can come again and again knowing that here will always be new interest and thus get daily lift in spirit which the beauty of the desert inspires."

On Paramushiro island, the Japanese stronghold in the northern Kuriles, the Japs for years have mined sulphur from the cone of an extinct volcano, transporting the sulphur down the mountainside by means of an elevated tramway.

Chlorine played a double role in World War I. Used in solution as an antiseptic, it saved thousands of lives; used in the form of poison gas, it choked out the lives of thousands of others.

Miss Alice Maher And Lt. Lamerty United In Marriage

First Lieut. Robert T. Lamerty and Miss Alice Maher were united in marriage at a nuptial mass celebrated by the Rev. Father C. N. Raley at Our Lady of Solitude church Monday morning at 9 o'clock.

Both are well known and popular in the Village and residents of this city for some months. Lt. Lamerty is the son of Mr. and Mrs. Theodore Lamerty of Chicago and his bride is the daughter of Mr. and Mrs. Edward C. Maher of Pasadena and Palm Springs.

The bride was attended by her sister, Miss Margaret Maher, while best man was David L. Maxwell, her brother-in-law. Following the ceremony, the wedding party adjourned to the Del Tahquitz for a wedding breakfast after which the bride and bridegroom left for Lake Arrowhead for a brief honeymoon. They will make their home in Palm Springs. The wedding culminated a romance involving the two local military establishments for Lt. Lamerty is stationed at the army air base here and his bride was employed at Torney General Hospital for several months.

Guests at the wedding were Mr. and Mrs. Edward C. Maher, Mrs. David Maxwell, Mrs. Richard Maher, Mr. and Mrs. James Tupy, Mrs. Gerald Shill, Mrs. Dorothy B. Stein, Mrs. Alan Thompson, Mrs. Jack Berg, Mrs. James Barrington, Mrs. Preston E. E. Gibson and daughter, Miss Edwina Partridge, WO Paul Hopkins, S/Sgt. Charles Hartwig, Mrs. Ernest Prantanida.

Same Reliable Staff On Job When Desert Inn Opens For Its 36th Season; Many Guests There First Day

The Desert Inn opened their thirty-sixth season October 4 with most of their old reliable staff on the job. Reservations will be handled by F. A. Warner, assistant manager, with the help of his secretary, Mrs. Dorothy Kauffman. Clerks are: H. McCullough and H. J. Merrick, who recently joined the organization.

Cashiers are Miss Frances Singer and Mrs. William Nichols; Miss Muriel Prendargash returns as relief clerk and cashier.

Miss Ruth Dana, resident auditor; Blain Bradley, night auditor; Miss Dorothy From, bookkeeper; Mrs. Agnes Doyle from Yosemite Park will be payroll auditor; Miss Naomi Dougherty, secretary to Earl Coffman for many years will continue in that capacity.

Switchboard operators are Mrs. Helen Anderson, Mrs. Lillian Gallman and Mrs. Ruth Lyndon, with Mrs. Emma Harter, as relief operator.

Miss Frances Markland is in charge of the dining room, assisted by Miss Catherine Snyder. Housekeeping department is headed by Mrs. Jessie Titus.

House officer, Joe O'Neill; social director, Mrs. Henrietta H. Young; publicity director, Miss Beth Scott, are all back.

Among the guests who came in at the opening week are: Mrs. Donald Douglas, of the Douglas Aircraft Co., and her two

sons and daughter, Barbara, now the wife of Lt. W. E. Arnold.

Mr. and Mrs. William J. Lindenberg of San Francisco; Mrs. A. E. Wigelsworth, from Los Angeles; Mrs. Elizabeth Adams; Thomas J. Brady; H. A. Uihlein and A. B. Bechaud of Milwaukee; Mr. and Mrs. John C. Marchall of Santa Monica; Dr. and Mrs. John R. Paxton of Glendale.

The Desert Inn's opening Dinner Dance will be Saturday, Oct. 7, with Mr. Uzia Bernani and his orchestra.

The guests of the Desert Inn will again enjoy the music of Mr. Bernani and his orchestra daily at luncheon and dinner.

The Desert Inn Beauty shop has been taken over by Tommy Wilson of Pasadena.

The Village Inn will be managed by Mrs. Lillian McCullough, assisted by Mrs. Flora Clico.

Enthusiastic Rally Held By Legion to Discuss Convention

Members of Owen B. Coffman post, American Legion, met at the Fiesta House on the Desert Inn grounds Tuesday night in one of the most enthusiastic and largest meetings in the post's history.

It was announced that the local post is now well over its quota of members and the expansion is still continuing.

Plans were made for session of the 21st district of the Legion, which will be held here on October 22. A large delegation from every post in the district is expected to be in attendance.

Plans were also discussed for the post's participation in the Western parade on October 15. A mounted color guard will represent the post in the event, it was decided.

Applications for Dance Permits Get Council Approval

Dance permits occupied city council Wednesday when Los Compadres club was granted permits to stage two dances next week, Western Week, and the Del Tahquitz hotel and Desert Inn were granted permits to resume dancing for the winter season.

The fee in the case of the Los Compadres club was waived inasmuch as the club expects to make no profit, merely to raise funds to care for incidental expenses incurred in its sponsorship of the Western Week.

One of the club dances will be held at Rogers ranch Tuesday, Oct. 10, for which a slight admission price will be asked. The other is a street dance in The Plaza on the night of Friday, Oct. 13. This dance will be free to all.

For Essential Transportation—Yellow Cabs. Phone 4444.

Council Overrides License Protest By Vote of 4 to 2

Matters of liquor licenses came before city council at its meeting Wednesday night when report came from the state board of equalization concerning three applications, one a transfer, one a renewal and one a new one.

On the transfer—from Berna C. Martin to Jack Lasley and Harry Brott—and on the renewal, that of the Desert Inn, no action was taken by council. Lasley and Brott recently purchased the Desert Drug company from Martin.

On the new application, that of Harry Briones for an on sale beer license at the Kamoa house, it was moved by Councilman C. P. Adams and seconded by Councilman Armand Turronet that a protest be filed with the state board as a matter of policy.

On a roll call vote, the protest motion lost, two to four, one absent.

Five Blue Stamps, Three Red Ones, In Effect This Week

Five more blue stamps, M5, N5, P5, Q5 and R5 for processed fruits, some juices, canned tomatoes and catsup, went into effect Sunday, October 1. They are good for 10 points each. Blue token stamps were no longer usable after Sept. 30.

Three new red stamps, also good for 10 points each, H5, J5 and K5 also became effective Sunday for meats, cheeses, canned milk, butter and canned fish.

The new stamps are good indefinitely.

The OPA announced that a new shoe stamp would become effective Nov. 1.

Rationing Rules

Your Coupon Schedule

Shoes—Airplane stamps 1 and 2, Book 3, good for one pair of shoes each, no expiration date. Another stamp due No. 1.

Sugar—Stamps 30, 31, 32, 33 in Book Four, five pounds each, no expiration date. Stamp 40, for canning sugar, expires Feb. 28, 1945. Applications for additional canning sugar, to be filed with local OPA boards, must be accompanied by SPARE STAMP No. 37. (Note — Do not use SUGAR stamp No. 37.)

Canned Foods—Blue stamps, (worth 10 points each) A8 to Z8, A5 to R5, Book 4, no expiration date.

Meats, Etc.—Red stamps A8 to Z8, A5 to K5 (worth 10 points each), Book 4, no expiration date.

Grease Bonus—Butchers will give two red tokens for every pound of salvaged kitchen fats received.

Tire Inspections—Save your tire inspection records even if inspections are no longer necessary. Requests for new tires must be accompanied by record of inspections.

"I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

By Congressman John Phillips There are times when I think, in the words of the familiar cartoon, that I was born "thirty years too soon." Then I comfort myself by thinking that if I had not had the earlier experience, I could never fully appreciate the conditions into which the world is moving.

As I said before, Mr. Ellsworth and I left Washington after dinner. We drove over to Baltimore and checked in at the B. O. A. C. (British Overseas Airways Corporation) and were weighed and given our tickets. We could have 25 Kg (55 pounds) which was enough for such a trip. Today the traveler puts a few things for overnight use in a light bag, carries his coat over his arm and steps into a plane with less previous thought than we give to a trip from Los Angeles to San Francisco, and with much less trouble.

At 10 o'clock we were driven to the location of the flying boat. There, with coffee and tea and sandwiches, if we wanted them, we were put through a simple process of immigration and customs. The plane taxied down the bay, and at 11:30 we were in the air. The ride was smoother than many a train ride I've taken. You notice the saving of space; where a Pullman would have doors, the plane has curtains; inches have been cut out from measurements, but we went to bed in comfortable berths, and I slept more soundly than I do in my Washington room.

The plane has a lounge about 14 x 11; a private compartment with two berths, wash basin and toilet, used by the two women passengers, and the necessary wash rooms for passengers, of whom there were 20 on this trip, and the crew, usually 11, this time 12. We were at Botwood, Newfoundland, early the next morning, and were very hospitably put up there for the day. The departure is determined by flying conditions at the other end, and we were in the air by about 8:00 p. m., and in Ireland at daybreak, after another comfortable

night. We were processed through Ireland, put into a bus that drove from Foynes along the River Shannon to Limerick and then down the other side of the river to the flying field, through the self-contained little Irish farms, and by about 2 we were again in the air for London, where we had dinner.

Coming into London we drove through a part of the city which has received many of the buzz-bombs. We have been shown everything we have asked to see. The British have been very thoughtful, imposing nothing on us, but letting us decide what we wanted to do or see, and then making it possible.

The number of American soldiers here has made us almost a government within a government. There could have been friction. It is to the everlasting credit of both countries, and a good omen for future world relations, that there has been none. That part of London which includes the Strand and Piccadilly street is familiarly known as "The American Quarter." It will please the parents of the men who are now here by the thousands to know that a high officer of the British army said recently that he "could only wish that an equal number of British soldiers, stationed in America, would conduct themselves so well."

Arlington Attorney Visitor In Village

Joseph Seymour, Arlington attorney, prominently identified with the Chamber of Commerce of that community and chairman of the county Chamber of Commerce Postwar Planning committee, was in town Tuesday.

While here he conferred with Walter Kofeldt, secretary of the Chamber of Commerce, and other civic officials on the postwar plan.

Whitehorns Return to Village Oct. 10

Mr. and Mrs. James Whitehorn and daughter, Ann, will return to their home on Tamarisk road October 10. They are now in San Francisco where Mr. Whitehorn, who is editor of the Republican Spokesman, is conferring with Mrs. Jessie Williamson, republican national committeewoman.

Late in October Mrs. Whitehorn will speak on behalf of Thomas E. Dewey in Fresno, Santa Clara, San Francisco and Humboldt counties.

Council voted Wednesday to renew its contract with Harry Bonnell and associates, auditing firm which has been checking city financial affairs for the past year.

Credit Bureau Service

Stanton Griffing & Associates wish to announce the addition of a credit bureau service to their well established services for accounting and tax counsel.

Palm Springs has been without adequate credit service for the protection of creditor and consumer alike.

Proper credit control benefits the consumer by better pricing, and the creditor by less loss.

An invitation to subscribe has been sent to a random list of prospects. Full details as to the scope and cost may be secured on request. We have the support of the Chamber of Commerce, and have made application to affiliate with the Associated Credit Bureaus of America.

Recreation Plan Returned to Board For Reconsideration

City council Wednesday night referred back to the Planning Commission for reconsideration, the proposal that a lease be negotiated with the Palm Springs Indian Tribal committee for use of the land near Indian and Ramon avenues, the old ball park, for recreation purposes.

The Planning Commission had recommended that, because of other recreational plans developing, the matter of the lease be held in abeyance.

Councilman Armand Turronet said that he had conferred with several members of the commission who said they had misunderstood the proposition and moved that it be sent back to them for reconsideration. The motion was adopted by council.

MILDRED WEIR, known to her many friends as "Tinny" . . . two years in the Palm Springs district and a resident of Cathedral City . . . and she works in a Village accounting agency . . . she came to the desert from Gulfport, Miss. . . as a result sailing is her favorite sport but he can't indulge in that on the desert. Her favorite pastime is reading good books and in writing—and receiving—letters from her husband, Lt. Weir, U. S. Army, now overseas.

Test Run Results In Fire Fighting Practice For Men

That 312 alarm Tuesday was really nothing to worry about.

Chief Bill Leonosio desired a check on his volunteers and called a test run. A half dozen volunteers responded and caught the truck as it headed southward and after reaching the imaginary holocaust, swiftly ran out a line of hose and had the situation in hand.

Only damage was to the person of Hutch Moseley. He got all wet.

Lions Hear Story of Boy's State And See Magician

Opening their formal meetings for the season, Palm Springs' Lions club met yesterday at the Desert Inn with President Charles Burket presiding.

More than 50 members and a dozen guests were present for the first meeting. The program was divided between a report on the American Legion Boy's State at Sacramento last June by Ar-

MAGICIAN — Chet Summers, "Baron Chico", who entertained Lions Club with tricks of magic yesterday.

thur Jones, who, with George C. Bell, represented Palm Springs at the affair, and a quarter of hour of magic at the hands of Chet Summers, known as "Baron Chico" on the stage.

Young Jones gave a graphic report on the Boy's State and Mr. Summers, who with his aide, Vera, leaves on a tour of Latin America tonight, mystified the club with his tricks.

Lloyd Simon was presented with an International Lions' award for the work he has done for Lionism.

Next meeting of the club will be at Torney General Hospital on invitation from Col. A. B. Jones, commanding officer.

Johnnie B. Nichols, 26, colored, was arrested and sent to Riverside to be held for federal authorities on a charge of possession of liquor on the reservation.

Members of American Legion Auxiliary Meet to Plan Active Season; Officers to Be Elected At Meeting October 17

Plans for a busy fall season were outlined and discussed by members of Owen Coffman Unit No. 519, American Legion Auxiliary, at a meeting held Tuesday evening.

Nomination of officers for the ensuing year created much interest during the business hour. Further nomination of candidates for office will be accepted at the next meeting, October 17, and election will follow. Mrs. C. V. Knupp, temporary chairman and presiding officer, reported that Mrs. George Boldin, 21st District President, will be present to conduct the initiatory ceremonies.

HOSTESS TO DISTRICT

October 22 the Unit will be hostess to the 21st District delegation of the American Legion Auxiliary, the district is comprised of Riverside and Orange counties. A highlight of this meeting will be the installation of officers for the local unit. Auxiliary members will join with the Post and visiting Legionnaires for a luncheon meeting at the Frances Stevens school.

Mrs. John P. Holditch was appointed chairman of the luncheon committee for the Auxiliary.

Local women eligible for membership are invited to join the new organization by October 12 and become charter members; the charter closes on that date. However, applications for membership will be accepted any time thereafter and acted upon by the Unit.

MEMBERSHIP RULE

Membership in the Auxiliary is limited to mothers, wives, sisters and daughters of members of The American Legion and those women who of their own right are eligible to membership in the Legion.

Mothers, wives, sisters and daughters of men and women who were in the military or naval service of the United States between April 6, 1917 and November 11, 1918, and who died in line of duty or after honorable discharge.

Mothers, wives, sisters and daughters of men and women who have died in line of duty of World War II, or of the men and women who have been honorably discharged from service in this conflict and have become members of The American Legion.

The relative Legionnaire may be a member in good standing of any Post.

Members of other, Auxiliary Units who now reside in Palm Springs and desire to transfer to the Owen Coffman Unit will be welcomed by the local group.

Morgan's famous Confederate raiders had their camp paper, too. It was published intermittently on whatever press the cavalry could capture.

A new simple method of detecting slow leaks in tires of automotive vehicles so as to minimize the possibility of "flats" along the highway is outlined in detail in a pamphlet just issued by Office of Defense Transportation.

Popular Villagers Honored Guests On Fourth Anniversary

Mr. and Mrs. Joseph R. Henderson were guests of honor on their fourth wedding anniversary at a dinner given by Mr. Henderson's parents, Mr. and Mrs. S. C. Henderson, on Monday evening.

The guests assembled at the Henderson home and adjourned to the Waikiki for dinner.

Those present were the honorees, Jack Gorham, who was the best man at the wedding four years ago, Mr. and Mrs. E. E. Theriault, Mr. and Mrs. Earl Hough, Mr. and Mrs. Kenneth Dubose and the host and hostess.

Joe Henderson, well known Villager, and the host and hostess, will leave Sunday evening for Gulfport, Miss., to enter Navy quartermaster school. He has completed his preliminary training at San Diego.

During his furlough he and his wife, Moya, have been the honored guests at many affairs. The farewell party will be given Saturday night by Mr. and Mrs. Kenneth Dubose.
